REVIEW OF REGULAR AGENDA ITEM(S)

<p>DISCUSSION</p> <p>Chairman Whiteley took roll call, and everyone but Commissioner Norton was in attendance. The Chairman reviewed assignments for the next City Council meeting and asked Commissioner Miller to attend. Commissioner Campbell stated that she would be absent at the next meeting due to a scheduling conflict. The Chairman reviewed and discussed the new resolution on prayer in public meetings that City Council adopted.</p> <p>The Chairman asked if everyone had a chance to review the minutes of the February 2, 2010, meeting. Commissioners responded in the affirmative and expressed appreciation for how quickly the secretary completed them. Troy Moyes mentioned that staff would also be taking very general minutes of all work sessions now for approval by this body along with their regular meeting minutes.</p> <p>Commissioners reviewed the only item on the agenda, for the Raw Clothing Company’s signage, and had no issues with the proposal.</p>

Agenda Item #2

DISCUSSION OF TITLE X SUBDIVISION ORDINANCE

<p>DISCUSSION</p> <p>Commissioners briefly discussed Chapter 1, sent to them previously, and had no issues with any of the changes. Troy Moyes agreed to forward them Chapter 2 the next day for their review and discussion at the next Commission meeting.</p> <p>Troy then gave a brief summary of the SBOSS Summit held the week before. Those in attendance represented a good mix of businesses in Syracuse, and the ideas given were well received. Many business owners expressed appreciation to the City and a willingness to help create the new organization. Troy believed the meeting was very successful.</p> <p>Commissioner Miller asked when commissioners wanted to revisit or follow up on the community planning effort for the 200 South areas. Chairman Whiteley preferred to wait until the strategic planning team finished their analysis of the City.</p> <p>Commissioners then adjourned the work session.</p>
